GV of burnt village, 800 people used to live in this village, but they fled to the safety of the bushes.

00:31 / 00:53 SOT Barry Came WFP spokesperson

“It’s created a very drastic situation in the northern part. Recent assessment missions up there have found burned out villages, burned crops, reduced commercial activity... child soldiers all over the place. Whenever people hear a vehicle approaching, they run: there’s so much fear, it’s all-pervasive up there. “
